

## Reservation Fee Schedule

Once reservations are confirmed, a 50% deposit is due. Full payment is due 2 weeks prior to reservation dates. If payment is not received, your reservation will be cancelled.

In addition to your deposit, a refundable reservation deposit of \$100 is required for all reservations. This is to cover any incidentals but not limited to the following: wall tents, cots, bathrooms and shower houses. You may use your unit account for the refundable reservation deposit or bring a check payable to Aloha Council to the Service Center at 42 Puiwa Road, Honolulu, HI 96817 (checks will be held and deposited only if the unit fails check-out inspection). If your unit passes check-out inspection and you submitted a check, you may pick up your check at the Service Center the following week after your reservation.
