

Aloha Council invests \$600 per Scout in programs and services to our nearly 4,000 members annually.

The annual dues a family pays includes membership fee that goes directly to the Boy Scouts of America. None of this fee covers the Council's cost of delivering Scouting to families within our local communities. At a time when traditional funding streams are threatening programs, your gift as a Friend of Scouting is more important than ever.

We are reliant on the generosity of our membership and the community to fund our mission of instilling values and building character in young people. Together, we'll make sure that Aloha Council has the resources, support and staff to ensure that all our families continue to see the promise of Scouting.

PREPARED FOR LEADERSHIP

Scouting teaches youth the skills to take responsibility, lead by example, and challenges them to learn and discover.

- Eagle Scouts are 55% more likely than non-Scouts to have held leadership positions at their workplace and within their community.
- 103 of our scouts became Eagle Scouts in 2023.

PREPARED FOR ACHIEVEMENT

Scouting guides youth in setting goals, developing a plan to reach their objectives, and instilling perseverance to overcome obstacles. Studies indicate that Scouts are better prepared for success than their peers.

Scouts are more likely to:

- Graduate from College.
- Earn Higher annual household incomes
- Have higher self-esteem and resist negative peer pressure.
- Engage in behaviors designed to enhance and protect the environment.
